

**Weaving concepts**

WHAT SHOULD I ALREADY KNOW?

- I know the 4 countries of the UK.
- I can name the seas around the UK.
- I know what a continent is.

VOCABULARY

Equator	Imaginary line around the middle of the Earth.
Africa	One of the seven continents in the world.
Climate	the long-term pattern of weather in an area.
Non-European	A country that is not in the continent of Europe.
Comparison	To compare and find things that are similar and different.

What am I going to learn?

- Africa is a continent made up of many different countries.
- I will be using world maps and globes to find a country in Africa.
- Being near the equator makes the temperature hot.
- The climate in Africa is hotter than England. So different things can live and grow.

**The Big Five - the largest and most dangerous African animals**

African lion

African elephant

Cape buffalo

African leopard

White/black rhinoceros
