

Whole Class Reading Texts

2024-2025: Cycle A

2025-2026: Cycle B

The texts below are used as whole class reading texts over the two-year cycle and have been selected to link with curriculum themes and progression of reading skills across the National Curriculum. Class teachers will often use these to develop writing skills but they will also use a range of non-fiction/poetry texts etc to teach the writing journey.

Please refer to the poetry 2-year coverage and progression document.
