A message from your Headteacher: Mrs Atherton

Thank you to all Sapling class Parents/Carers for attending our Maths workshop on Thursday. As always it was great to see you there!

Thank you to all who raised money for Children In Need. The child who raised the most and therefore won the limited edition Pudsey Bear was Leo in Seedlings, well done! All children who raised money received a certificate for their hard work in our 'celebration assembly' on Friday last week.

Thank you to our community for working with us and understanding our snow procedures.

Apologies to any local neighbours if they have heard the school alarm going off intermittently through the night times - we are correcting this issue as soon as possible.

What Have We Learnt This Week?

Little Acorns and Seedlings – Have been learning all about Diwali. They have made Diya lamps and danced to Hindu style music.

Sapling – Sapling class finished their Geography unit that has been all about weather. They designed their own outfits that best suited each season.

Oak – Oak class also finished their Geography unit. They completed their end of unit assessment recalling their knowledge of what they have learnt. They also consolidated their learning of column subtraction, ready to move onto the next topic in Maths.

National Championship Event

One of our Year 1 children, Lily, took part in a National Horse Riding Event for 4 days at the end of last week. We are so proud to say both herself and her pony Eddie did amazing!! Her Mum said the best achievement of the show for Lily was winning the Rising Star award, the award for the jockey with the most future potential in the sport. This is absolutely fantastic and shows just how much **#ambition** Lily has in her extra-curricular activity. Lily's teamwork was also noticed during the event as she cheered on her friends and cared for her pony. Please see photos in the gallery. **HUGE well done to Lily!**

Year 4 – Biddulph Forum

Last week, our 2 Year 4 school council members, Lucas and Annie, attended a meeting with Mrs Watson-Lazowski at Biddulph Town Hall. They met children from other local Biddulph schools and discussed what they would like to see happening in Biddulph over Christmas. They also came up with questions that they would like to ask the local community about what they do and do not like about Biddulph. It was great to see their **#confidence** shine through. They will attend more meetings throughout the school year.

Parents Photograph

A reminder following last week's message, if you would like to take a picture of yourself peering over the top of a book for our display we would really appreciate it! Thank you to those who already have.

Thank you

We would like to say thank you to all for last Friday when the weather caused us to ask you to collect your child/ren early. All Parents/Carers followed the process we had outlined in our letter previously in the week.
