

# Moor First School's

## Weekly Newsletter

A message from your Headteacher: Mrs Atherton - I would like to extend our thank you for the generous donations of cakes for our Time Capsule event. Your support made the occasion special and successful! We raised a fantastic £218 on the cafe and we couldn't have done this without you! Also, a big thank you to those who took their time to complete the Mental Health Support Team's survey. Your responses will help us to continue to improve our support and ensure that every child has a positive and nurturing environment to learn in. Lastly, thank you to all who completed Moor First School's Parent/Carer survey, we have had one last push for responses today and once the information has been collated, it will be communicated to all.

### Time Capsule 2050

We are going to create our own time capsule to be opened in 2050!! If you have any items you would like to add to it, please bring them into school. Thank you to those who have already donated items. In another 25 years time it will be your children standing watching the reveal!

### Attendance

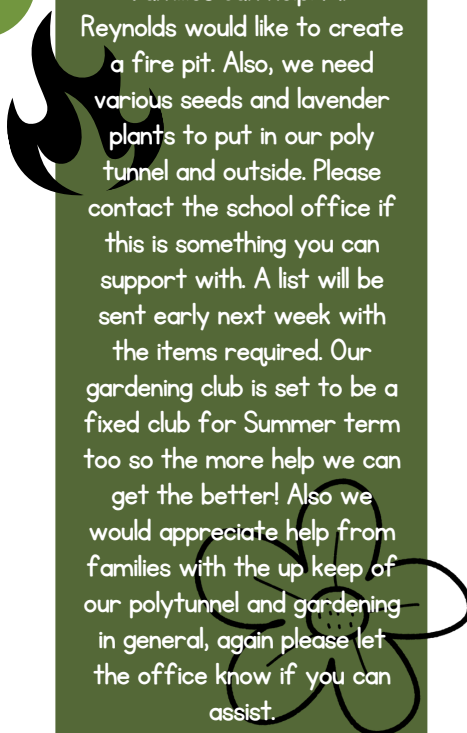

Our class attendance winners for this week are Little Acorns and Seedlings. Well done!

### Numbots/TT Rockstars

### Donations

We are asking for donations of fire bricks if any of our families can help. Mr Reynolds would like to create a fire pit. Also, we need various seeds and lavender plants to put in our poly tunnel and outside. Please contact the school office if this is something you can support with. A list will be sent early next week with the items required. Our gardening club is set to be a fixed club for Summer term too so the more help we can get the better! Also we would appreciate help from families with the up keep of our polytunnel and gardening in general, again please let the office know if you can assist.

### Sapling Trip

On Wednesday, 12th March, Sapling class visited Emma Bridgewater. They had a factory tour, showing the process from raw clay to finished product. They then decorated a plate which will be fired, glazed and sent to school so the children can bring it home. The children had a great day and their behaviour for learning was amazing!
